

Gail Wozniak

NCIDQ, LEED AP

Associate

Gail's practice is dedicated to creating spaces that support student life and promote interaction and collaboration. She has worked on a variety of campuses nationwide designing the interiors of large dining halls and student centers, academic buildings, and residence halls. She brings a broad-based knowledge to each project from conceptual design through FF&E specification, and her acute attention to detail and analytical sensibility ensure successful project delivery.

HIGHER EDUCATION PROJECTS
